The Searcher

Christopher Morgan Jones

The Searcher Christopher Morgan Jones
An unlikely hero dives into the chaotic madness of Russia and Georgia's deadly covert conflict, in this rapid-fire tale of corporate espionage gone awry

The acclaimed author of *The Silent Oligarch* and *The Jackal's Share*, Christopher Morgan Jones returns to a murky world where corporate spies and government agents battle far from the public eye. Focusing on Georgia, a mountainous republic threatened by Russia to the north, Morgan Jones carries readers deep into an ancient land of chilling compromises and foolhardy valor.

Morgan Jones's novels center on a unique London corporate espionage firm spearheaded by Ike Hammer and Ben Webster, which follows criminal money anywhere it leads: be it Moscow or Dubai, Monaco or Kazakhstan, a bureaucrat's pockets or a politician's bank account. While Webster was the star of the earlier novels—investigating Russian businessmen and KGB operatives in *The Silent Oligarch*, Persian billionaires and Tehran terrorists in *The Jackal's Share*—in *The Searcher* the focus shifts provocatively to Hammer, making this a perfect starting point for old fans and new readers alike.

Journeying to Georgia for the funeral of a friend, a journalist who inexplicably committed suicide after publishing the exposé of a lifetime, Webster mysteriously disappears. As the country rumbles ominously with civil strife and Russian aggression, Hammer rushes to Tbilisi to track down his missing friend. Once in Georgia, Hammer is forced to confront the country's tragic chaos: civilians bombed either by cruel Russian spies or by deceitful Georgian soldiers; violent riots instigated by amoral oligarchs or government saboteurs; double and even triple agents who play all sides against each other at once. Threatened by enemies he cannot name and "friends" he cannot trust, Hammer rushes north—into the lawless mountains bordering Russia itself—to discover the true fate of his friend and Georgia's future.

From reader reviews:

Barbara Clarke:

In other case, little folks like to read book The Searcher. You can choose the best book if you'd prefer reading a book. So long as we know about how is important the book The Searcher. You can add expertise and of course you can around the world by just a book. Absolutely right, because from book you can know everything! From your country until eventually foreign or abroad you will find yourself known. About simple thing until wonderful thing you can know that. In this era, we could open a book or even searching by internet system. It is called e-book. You may use it when you feel weary to go to the library. Let's go through.

Chris Henderson:

Do you have something that you like such as book? The guide lovers usually prefer to opt for book like comic, small story and the biggest the first is novel. Now, why not attempting The Searcher that give your fun preference will be satisfied by reading this book. Reading routine all over the world can be said as the means for people to know world considerably better then how they react toward the world. It can't be said constantly that reading addiction only for the geeky individual but for all of you who wants to become success person. So , for all you who want to start reading as your good habit, you can pick The Searcher become your own personal starter.

Glenn Remaley:

Your reading sixth sense will not betray you, why because this The Searcher book written by well-known writer we are excited for well how to make book which might be understand by anyone who else read the book. Written within good manner for you, leaking every ideas and producing skill only for eliminate your own hunger then you still skepticism The Searcher as good book not only by the cover but also through the content. This is one e-book that can break don't judge book by its cover, so do you still needing an additional sixth sense to pick this specific!? Oh come on your studying sixth sense already told you so why you have to listening to yet another sixth sense.

Diane Walker:

Is it a person who having spare time in that case spend it whole day by watching television programs or just lying on the bed? Do you need something new? This The Searcher can be the answer, oh how comes? A fresh book you know. You are thus out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these books have than the others?
