you might not like the "Don's" style, but you can't deny his hustle! his books are always great for insights on entrepreneur+leadership and/or nice reminders... "Donald J. Trump is an icon, the very definition of the American success story. The star of The Apprentice, and developer of some of the planet's most prestigious real estate, he's been on the bottom and risen to become one of the world's wealthiest men. Bill Zanker started The Learning Annex with $5000 and grew it into a $5 million a year company. That was before he met Donald Trump. Thirty months later, after Zanker learned to think BIG himself, The Learning Annex is generating over $100 million a year in sales and still growing. Together, they're living examples of how thinking BIG and knowing when to back up your opinions aggressively regardless of what your critics or opponents might say can help you maximize your personal and professional achievements. For the first time ever, you too can learn Trump's secrets to thinking BIG and kicking ass!"
