Woody Allen: A Retrospective Tom Shone
Woody Allen: A Retrospective is the **first complete, film-by-film overview of Woody Allen's entire career,** up to and including the 2015 release of *Irrational Man*. In this **illustrated biography**, renowned movie critic Tom Shone traces Allen's entire professional life as an entertainer and director, weaving in **archival and original interviews**, as well as more than **250 curated photographs, movie stills, and posters.**

From slapstick films to romantic comedies to introspective character studies and crime thrillers, Allen's output has always been prodigious; with **nearly 50 movies** to his credit, he's made more or less a film a year since the early 1970s. This fitting tribute to one of the masters of modern cinema covers all of those films, including contemporary classics such as ***Annie Hall, Manhattan, Hannah and Her Sisters,* and *Midnight in Paris,*** with wit and insight.

This is the **definitive illustrated monograph** on one of the major writer-directors of modern cinema, celebrating Allen's fifty-year career and published to mark Woody Allen's eightieth birthday. With the help of **comments contributed by Allen himself**, Shone's well-informed commentary makes this book an **essential read for Woody Allen fans and film aficionados.**

"I don't want to acheive immortality through my work. I want to achieve it through not dying."
—Woody Allen
